New Deputy Director of Engineering and Operations at Northern

Palm Beach Gardens, FL – November 21, 2005 – C. Danvers Beatty , P.E. has joined the staff of the Northern Palm Beach County Improvement District as the new Deputy Director of Engineering and Operations.

With over twenty years of experience in public works, water management and utilities, he comes to Northern from the City of Delray Beach, where he served as Deputy Director of Public Utilities for 7 years, and was the City Engineer prior to that.

According to Mr. Beatty, “ Northern provided an opportunity to further my career and provided me with a challenge. I look forward to the challenge and working with the residents and staff.”

As Deputy Director of Engineering and Operations, he will be responsible for overseeing the engineering and operations staff, operations and maintenance of the water management systems, and emergency response system for 63 Units of Development. He will also be in charge of the engineering consultants and monitoring contracts, progress of projects and many other tasks.

“We feel that Dan’s experience is an asset to our team and we are happy to have him on board, “ said O’Neal Bardin, Jr., Executive Director.

The Northern Palm Beach County Improvement District is an independent special district created by the Florida Legislature in 1959. Its role is to provide services related to water management, environmental enhancement and mitigation as well as infrastructure for properties in northern Palm Beach County.
