Northern Awarded “District of the Year” by Florida Association of Special Districts

Palm Beach Gardens, FL – June 17, 2009 – The Florida Association of Special Districts (“FASD”) held its annual conference in St. Augustine, Florida June 2nd – 5th, 2009, and named Northern Palm Beach County Improvement District the “District of the Year”. This award is presented to a District which works in a team effort to achieve and surpass all priority goals while staying within budget guidelines, and meeting and/or exceeding expectations.

One nomination included the following: “Northern is always personal, willing to help and provide whatever they can to support the organization and others. They are team players all the way and show a sense of community to each other and to the area they represent.”

This award coincides with Northern’s 50th Anniversary. Board Member, Adrian M. Salee, and Executive Director, O’Neal Bardin, Jr., accepted the award on behalf of the District.

The Northern Palm Beach County Improvement District is an independent Special District created by the Florida Legislature in 1959. Its role is to provide services related to water management and infrastructure for properties in Northern’s jurisdiction, which stretches from the Palm Beach County line to the north to the Lake Worth Drainage District to the south, and from the L-8 Canal to the west to Alternate A1A to the east. For more information on the District, call 561-624-7830 or email Office@npbcid.org. www.npbcid.org
