## **Northern set to Participate in Great American Cleanup**

**Palm Beach Gardens – April 2, 2007** Keep Palm Beach County Beautiful, Inc. (KPBCB) has invited the Northern Palm Beach County Improvement District to actively participate in our annual GREAT AMERICAN CLEANUP, America's largest litter reduction and community improvement project.

This national event is sponsored by more than 500 affiliates of Keep America Beautiful. Keep Palm Beach County Beautiful is assisted locally by the Solid Waste Authority (SWA), many private trash haulers, and other organizers and sponsors including local governments. The GREAT AMERICAN CLEANUP will be conducted on Saturday, April 21, 2006, appropriately on Earth Day weekend.

Northern's staff Biologist, Sam Payson will be this year's coordinator. He will be handing out T-shirts and bottled water for walk participants. The walk will take place in Abacoa on the green way trails. This is an excellent opportunity to see flora and natural habitat while cleaning up the environment. On the last walk, gopher tortoises and their burrows were seen. Northern has participated in the Great American Cleanup for several years.

If you are interested in participating, please contact Sam Payson with your T-Shirt size and number of attendees, at [Sam@npbcid.org](mailto:Sam@npbcid.org) or by calling Northern at (561)-624-7830.

###

The Northern Palm Beach County Improvement District is an independent taxing district created by the Florida Legislature in 1959. Its role is to provide services related to water management and infrastructure for properties in northern Palm Beach County.
