## Northern Palm Beach County Improvement District Board Member Resigns

**Palm Beach Gardens, FL – January 23, 2008.** The Board of Supervisors for the Northern Palm Beach County Improvement District will begin the search for a new member following the resignation of Pamela Rauch, who tendered her resignation effective February 28, 2008. The resignation was announced at this morning's Board of Supervisor's meeting.

Rauch, who is the immediate Past President of the Board, has served valiantly during her eight year tenure. She makes this decision as a result of a promotion to Vice President of External Affairs at FPL Inc., where she has been a senior managing attorney. Rauch stated that in fairness to the Board, she did not want to detract from the important business of the Board. "My tenure here on the Board has been unbelievably rewarding" she says. "Northern has a great staff and fellow Board Members. It has been a true pleasure working with everyone."

The Board's Appointment Committee will begin the process of finding a qualified candidate to serve until the next election in November 2008. Then, Seat No. 1 will be filled in the Annual Landowner election for a two year term ending November 2010. The candidate to fill the remaining term for Seat No. 1 must be a resident of Florida. The Board is looking for someone who will be thinking strategically in terms of what will best serve both the community and Northern. Some form of government experience would be helpful; however, all experience will be carefully considered.

Those interested in applying for the interim appointment should send a letter of interest and a resume to Northern immediately. The Appointment Committee will then conduct interviews and may make a recommendation to the full Board at the next Board Meeting, February 27, 2008.

The Northern Palm Beach County Improvement District is an independent Special District created by the Florida Legislature in 1959. Its role is to provide services related to water management and infrastructure for properties in Northern's jurisdiction, which stretches from the Palm Beach County line to the north to the Lake Worth Drainage District to the south, and from the L-8 Canal to the west to Alternate A1A to the east. For more information on the District, call 561-624-7830 or email [Office@npbcid.org](mailto:Office@npbcid.org).
